Cost: \$35.00 - Kit provided for this class to include:

1 Towel, Fabric, Stabilizer, Designs (from Anita Goodesign), pattern and instructions

This Apple hanging towel class is easy, fast and so much **FUN** you will want to make them again and again. Sign up today before all seats are filled up. You don't want to miss out!

What to Bring:

- Embroidery machine in good working order E-Unit, power cord. (Sewing Creations will provide a sewing machine to complete your project)
- USB Memory stick
- 5x7 embroidery hoop
- 3 empty bobbins
- Polyester or rayon Embroidery thread colors of your choice for making your design – 2 different shades of green one in medium green color and one in a darker green color, you will also need to choose and bring the color embroidery thread for the apple design. Our design is made using the Kingstar metallic Gold thread. The world's best running thread which you may purchase here at Sewing Creations at a discounted price during class only. Kingstar spools are 1,000 meters in size, color fast and will not fade on your fabric.
- one spool of 100% white cotton thread with a bobbin filled of the same thread ready to sew
