

Beginning Sewing Class (Ages 14 & up)

Learn how your machine operates and the features it offers. This class is for students who are new to sewing. We will discuss the best pattern to use as your first project.

When: Tuesday, March 19, March 26 & April 2 (3-week class)

Time: 6:00pm – 8:00 pm

Cost: \$75

Four Spaces Available

What to bring for Sewing Machine Basics Class:

- Sewing machine in good working order (if your machine is having any problems, please have it repaired or serviced before class)
- Machine instruction manual and all accessories that come with your machine
- Power cord and foot pedal (gas pedal)
- Sewing supplies: 2 spools of thread (different colors), scissors, 2 empty bobbins, Machine needles, and straight pins. Below are examples of some helpful tools you'll use while sewing.

This class is a prerequisite to Beginning Sewing and other sewing classes

Basic Sewing Tools
